

Snap-Tite™ Basket Strainer

300 Grade Stainless Steel Sink Strainer

SS-440

The Snap-Tite™ basket strainer utilizes a stem clip that can switch from straining to a positive leak-proof rubber seal with a simple push or pull motion. The Snap-Tite™ body and basket are high quality stainless steel and comes standard with a zinc or brass lock nut and tail nut. This strainer has the basics of quality that The Designer Series is known for.

Fits sinks which have a thickness between 1/16" and 3/4"
